

Navoiy's Philosophy and Methods for Pre-School Speech Readiness

Table Of Content

1. The Cultural and Moral Significance of Speech
 - 1.1. Philosophical Foundation: Speech as a Marker of Human Civilization
 - 1.2. Reflection of Inner World: Morality, Character, and Social Status
2. Core Objectives of Speech Readiness Activities
 - 2.1. Foundational Skills: Correct Pronunciation, Vocabulary Expansion, and Grammar
 - 2.2. Advanced Skills: Fluency, Logical Structure, and Independent Storytelling

Table Of Content

3. The Shared Responsibility of Parents and Educators

3.1. Pedagogical Methods: Games, Rhymes, Riddles, and Visual Storytelling

3.2. Collaborative Duty: Explaining Word Meanings and Modeling Speech Culture

1. The Cultural and Moral Significance of Speech

- Speech culture reflects inner world and moral character.
- Parents and educators share responsibility for early speech.
- Correct pronunciation and grammar build strong communication skills.
- Vocabulary richness and eloquence earn respect among peers.
- Play, stories, and nature themes expand children's imagination.

1.1. Philosophical Foundation: Speech as a Marker of Human Civilization

- Nutq tarbiyasi stixiyali emas, usullarga ega bo'lishi kerak.
- Til boyligi va grammatika inson madaniyatini aks ettiradi.
- O'yinlar va ertaklar orqali so'z boyligi boyitiladi.
- Tarbiyachining o'z nutqi bolalar uchun eng yaxshi namuna.
- Kitoblar va she'rlar bolaning tasavvur olamini kengaytiradi.

1.2. Reflection of Inner World: Morality, Character, and Social Status

- Nutq inson ichki dunyosi va ma'naviy qiyofasining aksidir.
- Ota-onalar va tarbiyachilar bolaning nutq madaniyatiga javobgardir.
- To'g'ri talaffuz, boy lug'at va grammatika nutqning asosidir.
- O'yinlar va ertaklar orqali bolalar nutqni rivojlantiradilar.
- Tarbiyachi o'z nutqi bilan bolalarga yuqori madaniyat namoyon qiladi.

2. Core Objectives of Speech Readiness Activities

- Correct pronunciation of speech sounds.
- Expand, strengthen, and activate vocabulary.
- Ensure grammatically correct speech structure.
- Focus on speech fluency and smoothness.
- Prepare children for school education.

2.1. Foundational Skills: Correct Pronunciation, Vocabulary Expansion, and

- Teach correct pronunciation of speech sounds.
- Expand vocabulary through active reinforcement.
- Ensure grammatically correct speech structures.
- Focus on smoothness and logical sentence flow.
- Prepare children effectively for school learning.

2.2. Advanced Skills: Fluency, Logical Structure, and Independent Storytel

- Tarbiyachi bolalarni hayot voqealaridan hikoya qilishga o'rgatadi.
- Hikoyalarda mantiqiy izchillik va grammatik to'g'rilik bo'lishi shart.
- Suratlar va mavzular asosida mustaqil hikoya qurishni rivojlantiradi.
- O'z fikrini aniq, ravon va ifodali tarzda yetkazishga e'tibor qaratadi.

3. The Shared Responsibility of Parents and Educators

- Parents and educators share the responsibility for speech.
- Caregivers must explain meanings during word learning games.
- Educators must model correct speech culture in every lesson.
- Shared efforts ensure children master vocabulary and grammar.
- Collaboration builds a rich, accurate, and fluent language.

3.1. Pedagogical Methods: Games, Rhymes, Riddles, and Visual Storytelling

- O'z fikrini aniq, ravon va tushunarli ifodalash
- Ona tiliga chuqur hurmat va ehtirom bilan qarash
- O'yinlar, qo'shiqlar va rasmlar orqali o'zlashtirish
- Tarbiyachining nutq madaniyati bolalar uchun o'rnak

3.2. Collaborative Duty: Explaining Word Meanings and Modeling Speech

- Alisher Navoiy: Insonni soʻz ayladi judo hayvondan.
- Nutq madaniyati ichki dunyo va odob-axloqni aks ettiradi.
- Bayoʻ til, toʻgʻri talaffuz obroʻ-eʻtibor qozonishga yordam beradi.
- Oʻyinlar orqali bolalar lugʻat boyligini kengaytiradilar.
- Tarbiyachi oʻz nutqi orqali nutq madaniyatini namoyon qiladi.
